Join us at the Principal Supplier Forum 2024, where over 300 school principals from Primary and High Schools across Gauteng will come together to discover suppliers and products that can truly make a difference in their schools.

Held on the 1st of November 2024 at Riverside Venue, Pretoria, this event is your chance to connect directly with the decision-makers who control budgets, influence purchasing and implementation decisions, and shape the educational experience. Don't miss the opportunity to showcase your products and services to those who can turn potential into partnership.

Why Participate

- **Direct Access to Decision-Makers:** Connect with over 300 school principals who control budgets and influence purchasing decisions.
- **Speaking Opportunity:** Present your product or service directly to an engaged audience of school leaders.
- **Pre-Qualified Leads:** Engage with principals who are actively seeking new suppliers to enhance their school environments.
- **Diverse Market Reach:** No restrictions on the type of service you offer— If a School can benefit from buying it, you qualify.
- **Access to New Markets:** Tap into the educational sector and introduce your product or service to schools for the first time, opening up a new and thriving market for your business.
- **Cost-Effective Sales:** Save time and money by meeting all your potential clients in one venue, eliminating the need for cold calls and emails.
- **Tailored Networking:** Build meaningful connections with the exact decision-makers you need to grow your business in the education sector.
- **Industry Insights:** Gain valuable insights into the needs and challenges faced by schools, helping you tailor your offerings.
- **Competitive Advantage:** Stand out from competitors by being the first to establish a connection with school leaders looking for innovative solutions.

Event Outlook

The Principal Supplier Forum is a groundbreaking event designed to bridge the gap between education and industry, providing a platform where school principals and suppliers can come together to explore new opportunities for collaboration.
